

Policy No.: G-16	Section: General	Page #1 of 1
-------------------------	-------------------------	---------------------

Title:	Septage Disposal Policy
---------------	--------------------------------

Legislation Reference:	Municipal Government Act
-------------------------------	---------------------------------

Purpose:

To establish guidelines and permission requirements for approved and accepted individuals to access the designated wastewater lagoon for the purpose of septage disposal.

Procedure

The Town of Smoky Lake will not allow businesses or individuals access to discharge septage at the Town’s lagoon facility. Requests must be negotiated with the Public Works Foreman/Manager who will determine if access to the lagoon will be granted. The request will be finalized by the Chief Administrative Officer.

Any company or persons violating these current regulations will be held liable for any damages caused by or any illegal activities carried out at this septage dumping site.
